

AN ISO 9001 CERTIFIED COMPANY

SPECTRA FIRE SYSTEMS

MANUFACTURER OF ISI MARKED FIRE EXTINGUISHERS

ELIX FIRE[®]
RANGE OF FIRE EXTINGUISHERS

>> ELIX FIRE RANGE OF FIRE EXTINGUISHERS

01. WHERE TO USE...?

The situation is complicated by the fact that there are six different types of fires, each with their own rate of spread and growth. So a petrol fire, for instance, could take just 4 Seconds to reach the blaze stage, while a wood fire could take 6 minutes to 8 minutes to reach the same intensity. Further, there are different fire extinguishers for different types of fires, and using the wrong one could literally kill you. For example, a water-based extinguisher used on an electrical fire could cause electrocution.

1

Ordinary Combustibles

Wood, Textile, Paper, Plastic etc

Flammable Liquids

Petroleum, Oils, Paint, varnish, solvent fuel, Volatile Liquids etc

Electrically Started & Flammable Gasses

Live Electrical Equipments, Industrial Gasses, power grid etc.

02. PERFORMANCE GAURANTEE

ELIX FIRE ABC or Multi-Purpose extinguishers utilize a specially fluidized and siliconized mono ammonium phosphate dry chemical called MAP90. It chemically insulates Class A fires by melting at approximately 350°F and coats surface to which it is applied. It smothers and breaks the chain reaction of Class B fires and will not conduct electricity back to the operator.

03. SPECIFICATIONS

Virtually every ELIX FIRE extinguisher comes with ISO 9001 and CE certification, and conforms to ISI standards. Comprehensive Leak Tests also guarantee that the products you buy are manufactured to the world's most stringent quality standards.

MODEL	EF-1	EF-2	EF-4	EF-6	EF-9
Capacity	1KG	2KG	4KG	6KG	9KG
Gross Weight	2.2Kg	3.6Kg	6.6Kg	9.1Kg	14 Kg
Height	330	370	430	480	610
Hydraulic Test Pressure	35 Kg/cm ²				
Discharge Time In Sec	>8	>13	>13	>13	>13
Range	>2	>2	>2	>2	>3
Body Construction	Deep drawn & CO Mig welded				
Valve Construction	Forging & Machining				
Coating	Epoxy Powder coating				
Type of Extinguishing Media	MAP 90%				
Operating Temperature Range	-10 ^o to +55 ^o C				
Sheet metal Thickness	1.20mm	1.20mm	1.50mm	1.50mm	1.50 mm
Fire Rating	1A, 8B	1A, 8B	3A, 21B	3A, 21B	4A, 34B
Warranty	5 Years				
Approvals	ISI, CE, ISO Certified				

04. Effective Against All Classes Of Fire

Using the wrong extinguisher on a fire can be very dangerous. And often, there isn't enough time to decide which extinguisher to use. In such cases, the consequences often prove fatal. ELIX FIRE MAP 90 range of ABC extinguishers are effective against Class A, B and C fires as well as Electrical fires. They take the guesswork and confusion out of choosing an extinguisher and save valuable time in the face of the fatally dangerous enemy called fire.

05. 5 YEARS WARRANTY*

ELIX FIRE entire range of ABC extinguishers come with an unbeatable 5 year warranty.
